

In the City Council,
City of Lodi,
Lodi, California.

RESOLUTION NO. 1292.

WHEREAS, the City of Lodi has been unable to secure bidders willing and able to do the work contemplated in the construction of the Sacramento Street Industrial Waste Drain as appears from the City Councils minutes for September 4, 1946 as recorded in Vol. 7 Records of the City Council, at Page 83 thereof, and,

WHEREAS, this City has also been unable to contract for the construction of its Main Line Sewer Outfall at a fair and reasonable price, having rejected the only bid received by its Resolution No. 1288 adopted November 20, 1946, and,

WHEREAS, both of these projects are necessary for the preservation of the public health, safety and convenience and must be completed before another Summer season or the City may be prohibited by injunction from continuing its present methods of sewage and industrial waste disposal, and,

WHEREAS, Homer Wright is the owner of a certain Model 21, Parsons Trenching Machine and has submitted a proposal in writing to do the digging of trenches necessary to construct the sewer line for both the Sacramento Street Drain and Unit 1 of Pipe Line 1 of the Main Line Sewer Outfall at a price of \$12.00 per hour under terms and conditions acceptable to this City Council as set forth in his said proposal; therefore,

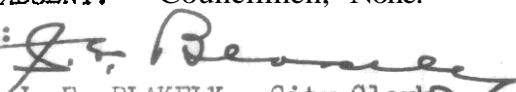

BE IT RESOLVED, that this City Council accept the proposal of Homer Wright and directs that the City Engineer proceed immediately with the construction of both of the projects named herein. Payments due Homer Wright shall be made on certificate of the City Engineer as to the time this machine is employed and that the work is satisfactory.
